Maybe your interest is a Super Hero, your own life story, or you-know-it's-in there-*somewhere*-dying to get out. Don't worry if you think you can't draw. Barbara will teach you how to develop characters, plot stories and offer tips on the creative process. "Bring your work!" she says, "And if you don't have any, let's get started!"

Barbara Slate is a cartoonist who has written, drawn and created over 300 stories—for Marvel, DC Comics, and Archie Comics. She is featured as one of the century's most important women cartoonists in "A Century of Women Cartoonists."
